

## TanyaSpirit Designs - Summer 2020 - Prices

I've done all in my power to bring you these high quality designer items created from only the best fabrics, some items have a base price for sizes Small to Large and a small additional charge per size beyond, simply because larger sizes require more fabric. This range could easily sell at a high ticket, but my intention is to give you the best at a great price on items that will bring you joy for years and years.
